## Serica Supermatt Door Range

The new SERICA supermatt, anti-scratch, anti-fingerprint, thermal healing, micro healing range from Tipppo.

INSPIRED *by* PERFECTION

Available in 13 colours and a wide variety of door designs, you are sure to find something for everyone. SERICA incorporates extremely robust **anti-scratch** and **anti-fingerprint** technology with the added benefit of **thermal healing** of micro scratches.

To enhance the SERICA range at Tipppo International Ltd, we have added an extra layer of protective film to reduce the risks of damage during transportation and installation. This additional protective feature allows the product to be installed prior to removal of the film, thereby helping to safeguard the **quality** of the product.

**SILKY TOUCH**  
luxurious appearance and warm and wax like feel when touching the foil

**ANTI FINGERPRINT**  
no more fingerprints on the surface for improved aesthetics

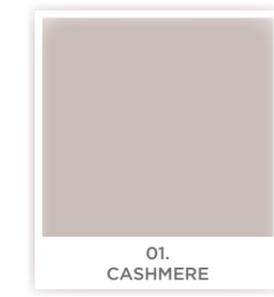

**HIGH SCRATCH RESISTANCE**  
extremely robust surface finish incorporating anti-scratch technology

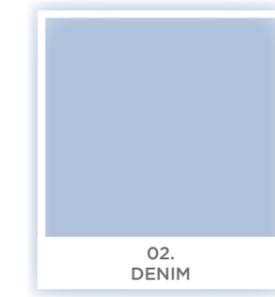

**SUPERMATT EFFECT**  
the new frontier of the lacquering technology for a WOW factor

**EASY REPAIR**  
thermal healing of micro scratches with a simple iron
