

INVER DESIGNS DAC

QUALITY POLICY

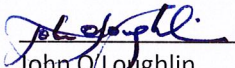

Inver Designs DAC continuously strives to meet the stated and implied needs of our customers through the manufacture of quality products. To assist the Company in achieving this objective management shall provide all the necessary resources and training to assist staff development ensuring that our needs are met.

We strive to build partnerships with all our Vendors in order to ensure all our products are manufactured to the highest quality standard and delivered on time, in full at a competitive price.

Inver Designs DAC shall conduct Management Review meetings to set our goals and objectives. This Policy document and its continued effectiveness is an integral part of the annual Management Review.

All employees are encouraged to take part in the continuous improvement program as we rate employee involvement as a vital part of our success.

Signed,

John O'Loughlin

Chief Executive
