HERA™

SANITARY WARE

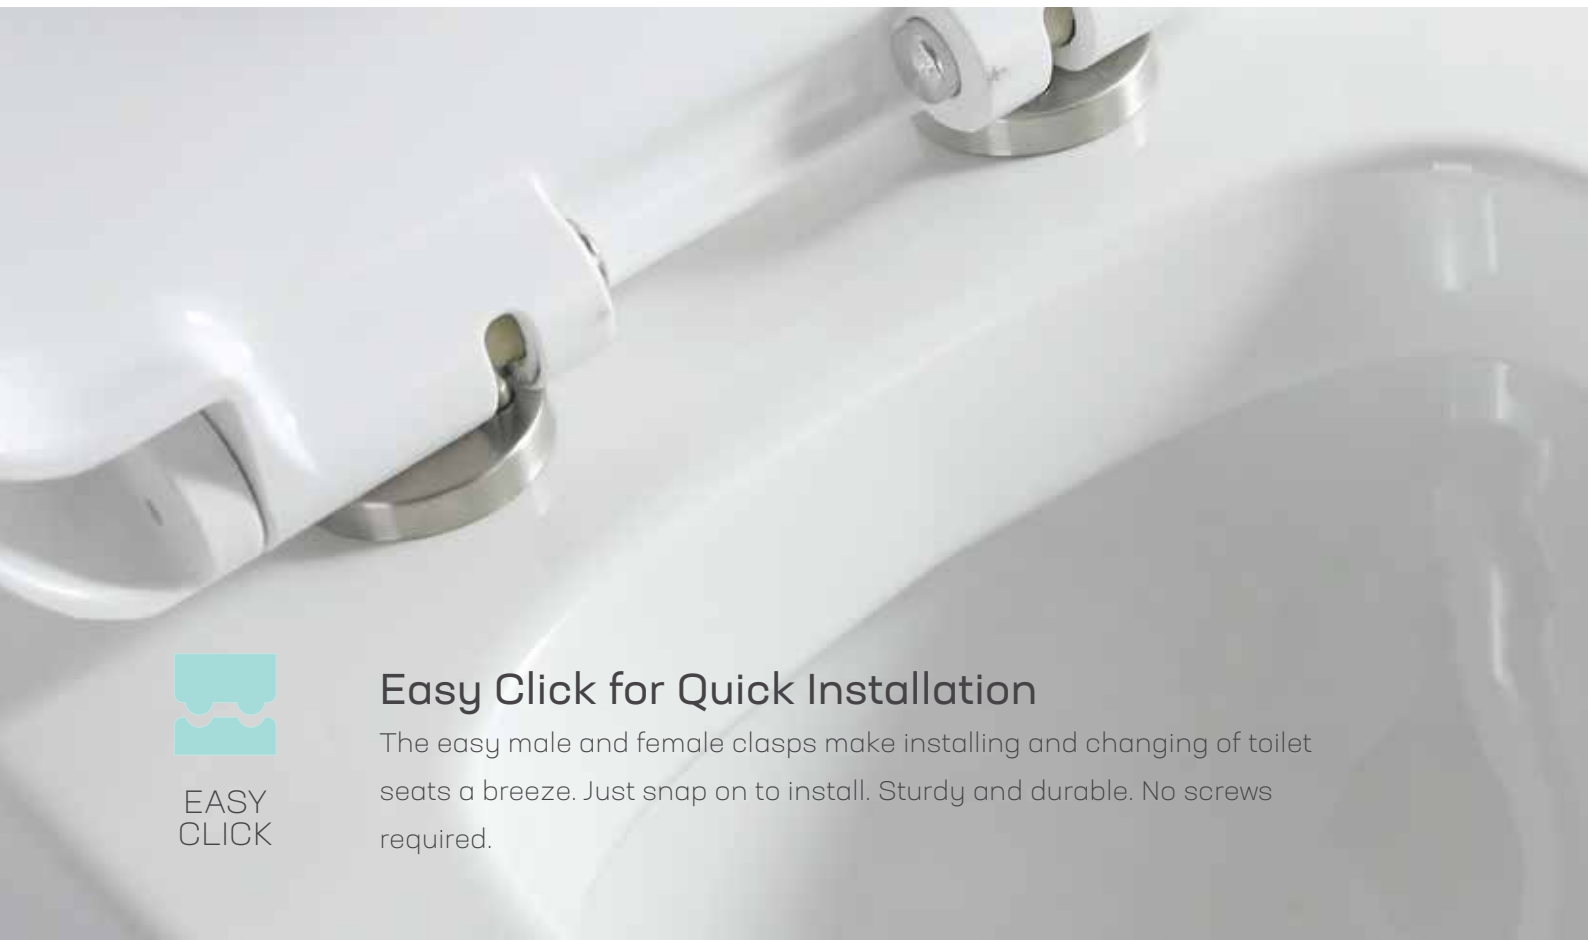

Modern Wonders

With our European inspired design language, every bowl and basin is crafted to please and pamper. The design philosophy comes alive with convenient features, simple operations, and modern aesthetics that accentuate your taste. Little wonder HERA is universally desired.

Rimless WC for Less Staining

The single point water jet, as opposed to traditional multipoint outlets which tend to produce stains, ensures more efficient washing every single time. Easy to clean.

Easy Click for Quick Installation

The easy male and female clasps make installing and changing of toilet seats a breeze. Just snap on to install. Sturdy and durable. No screws required.

Water Saving With Every Flush

Finally, a WC that uses no more than 3.5 liters of water. Less water. More savings. More importantly, a bathroom that reflects your environment friendly lifestyle.

Soft Close for Enhanced Experience

The pneumatic mechanism prevents slamming and premature damage to toilet seats, enhancing the privy experience. Totally child safe and easy to use.

CONCEALED CISTERN

K210-A01 concealed cistern (with K8044 frame), height 820mm

- For wall-hung toilet, fasten distance 180/230mm
- For a floor construction of 0-220mm

Flush volume
6L/3L, 4.5L/3L

K210-A02 concealed cistern (with K8041 frame), height 820mm

- Thickness of cistern 145mm
- Feet height infinitely adjustable 0-220mm

Flush volume
6L/3L, 4.5L/3L

K210-D01 concealed cistern, split type, for floor standing toilet

- Thickness of cistern 130mm
- Can fit with all manual acurator plate in this catalog

Flush volume
6L/3L, 4.5L/3L

K210-D03 concealed cistern, one piece, for floor standing toilet

- Thickness of cistern 130mm
- Can fit with all manual acurator plate in this catalog

Flush volume
6L/3L, 4.5L/3L

K301-A01 concealed cistern (with K8312 metal frame), height 1140mm

- Thickness of cistern 80mm
- Feet height infinitely adjustable 0-120mm

Flush volume
6L/3L, 4.5L/3L 4L/2L

K301-B01 concealed cistern (with 280599 metal frame), for solid wall

- Thickness of cistern 85mm
- For wall-hung toilet, fasten distance 180/230mm
